Thandi House
Home For Abused And Abandoned Babies

This month we are dedicating our entire newsletter to our fundraising and collection drive for Thandi House in Pietermaritzburg. They have received 10 new born babies this month and already care for 18 other children/teenage moms and are in desperate need of assistance. Bundu NetworX in association with CAN and Dee During Photography, would like to support the amazing staff and their work at Thandi House by asking our customers to come to the community and donate whatever you can to the orphanage.
